Saturday, August 10: Tivua Island

Welcome aboard with a complimentary fruit punch and welcome salusalu (lei) as we set sail for our Fiji Island adventure. This afternoon visit Captain Cook Cruises own exclusive island "Tivua" where you can enjoy a twilight swim, snorkel or relax on the beach. Tonight enjoy our special Welcome Dinner and Crew Introduction.

Sunday, August 11: Wairiki and the 180th Meridian

For an experience not to be missed, join the special choral church service at Wairiki on the western side of Taveuni. Taveuni Island lies on the 180th Meridian, the arbitrary line between today and tomorrow. After the service our crew will take you to the famous Dateline—180th Meridian—where you can literally stand with one foot in the past and one foot in the future. Following a lovely lunch back aboard Reef Endeavour there will be the opportunity to dive and snorkel the reefs of the soft coral capital of the world.

Monday, August 12: Bouma Waterfall/Naselesele

This morning we disembark on the western side of Taveuni Island - the "Garden Island" of Fiji. The optional bus tour takes you to the beautiful Bouma Waterfall where you can swim and relax in the beautiful setting. This evening we will be visiting Naselesele Village to enjoy the tastes of Fiji with a traditional 'lovo" (earth oven) feast where we share fresh local seafood, succulent meats and tropical fruits. Then dance to the drum of the meke (dance) and kava ceremony.

Tuesday, August 13 & Wednesday, August 14: Vanuabalavu—Bay of Islands

Qilaqila, at the northwest end of Vanuabalavu, is known for its pristine waters, limestone caves and mushroom shaped islands. This is also known as the Bay of Islands and is famous for its amazing scenery and pristine reefs. Explore this pristine environment with our Marine Biologist and expert guides. Snorkelling, kayaking, exploring the caves and meeting the locals of this amazing settlement which only sees a supply boat once every 6 weeks and the occasional Yachtie.

Thursday, August 15: Levuka

This morning we arrive at the port of Levuka on the island Ovalau, situated off the northeast coast of the main island. Levuka was the first European settlement in Fiji and became the center of British colonial administration and trade. At its peak over 50 hotels catered to the thirst of sailors in port and the town gained a wild reputation. In 1888 the capital was moved to Suva on the main island, and Levuka's notoriety gradually waned. Passengers are invited to join an optional tour of this now quiet historic town with its stately backdrop of 19th Century colonial architecture and waterfront promenades. In the afternoon we visit the children of Marist Convent Primary School.

Friday, August 16: Nananu-i-ra, Viti Levu Bay, North Coast of Viti Levu

Cruising south west from Vanua Levu we arrive at Nananu-i-ra on the northern coast of Viti Levu for our customary swim, snorkel and beachcombing or just a lazy morning to enjoy our beach visit.. After lunch there is our last opportunity ashore before we begin our homeward journey. This evening don your sulu (sarong) and join all the celebrations of our Pacific Island Night Finale.
